1. PREFACE

The Department of Economics of Shri. Kisanlal Nathmal Goenka Arts and Commerce College, Karanja (Lad), came into existence with the beginning of the college itself since 1961. The college is located in the rural area and most of the villages are attached to the college. Therefore, most of the students who offered Economics as an optional subject. But year after year student's attendance and curiosity about the Economics has been increasing.

To keep students in touch with Economical aspect, the Department has formed "Economics Study Association" it organizes many programs to give more information about Economics to the students. The Economics Association had taken up various activities to broaden the dimensions. Department arrange study tour every year. The tours help the students to get factual details about the Economics. The Department has not only taught the prescribed syllabus but also has tried to change and develop the personalities of the students, which would be helpful to face the challenges of modern era. It had made the students aware of the modern generation and society by giving them current knowledge to enhance their Economical sprit.

The department has given personal attention to the students for preparation of competitive examination. It has given personal guidance to the external students who are preparing for such examinations.

2. OBJECTIVES

1. To develop economic literacy among the students and society.
2. To create awareness among students about new Economic Changes.
3. To create passion of learning about Rural & Agriculture Economy.
4. To promote students in competitive exam.
5. To develop research skills in students.
