# 1. PREFACE

The Department of History of Shri. Kisanlal Nathmal Goenka Arts and Commerce College, Karanja (Lad), came into existence with the beginning of the college itself since 1961. The college is located in the rural area and most of the villages are attached to the college. Therefore, most of the students who offered history as an optional subject, are from remote areas where there is a little sense of History. But year after year student's attendance and curiosity about the history has been increasing.

To keep students in touch with the historical aspect, the Department has formed "History Study Association" it organizes many programmes to give more information about history to the students. The History Association has taken up various activities like education tours to help the students to get factual details about the incidents that happened in the History. The Department has not only taught the prescribed syllabus but also has tried to change and develop the personalities of the students, which would be helpful to face the challenges of the modern era. It has made the students aware of the modern generation and society by giving them current knowledge to enhance their historical spirit.

The department has given personal attention to the students for preparation of competitive examinations. It has given personal guidance to the external students who are preparing for such examinations. The Department also helps the external students to prepare for SET, NET test that is mandatory to acquire lectureship in Senior College.
