- Students got information about how plastic harmful for human also animal too.
- Students know about that Due to the uncontrolled use of plastic, its disposal has become a huge problem in major cities and towns alike.

Short Description of the Programme

Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. With an objective to make everyone realize the harmful impact it has on our lives and urge them to adopt a plastic-free life style, Shri. Kisanlal Nathmal Goenka, College, Karanja lad. initiated the campaign 'Say No to Plastic'. The NSS volunteers undertook a pledge to protect the environment from the toxic plastics by keeping their homes free of plastic materials like Polythene bags, boxes, bottles, glasses, plastic containers, straws etc. and also promised to spread awareness among their friends and relatives.

The interactors showed their deep concern towards environment by designing e- posters which brought out their reflective ideas on how plastic is polluting oceans, lands, our biodiversity, human health and pristine beauty of the earth. The posters were a perfect blend of imagination and technical acumen. Students made beautiful posters with a splash of colours and displayed the things made from single-use plastic. They also took a pledge to motivate each individual to take necessary steps to stop plastic pollution. They emphasized the hazards caused by plastic in human and marine life. This activity helped them understand the need to take an immediate action to save our planet from plastic pollution.
